## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the prior art does not teach all of the limitations of the claimed invention including:

- mechanically forming the overlapping area to achieve a smooth width transition between the first and second; and
- applying an insulation sheath over the first and second conductors by an extrusion line.

Accordingly, claimed 1 and 3-11 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
